Dynamic professional with a strong background in customer service, operations, and technical support. Experienced in streamlining processes, coordinating cross-functional teams, and ensuring efficient service delivery under demanding conditions. Adept at identifying solutions, improving performance, and enhancing customer satisfaction. Eager to contribute to organizations supporting Saudi Arabia's Vision 2030 through innovation, efficiency, and customer-centric service delivery.

AVAILABILITY

BANGLADESH NATIONAL & PASSPORT. OPEN TO RELOCATE TO **SAUDI ARABIA** FOR WORK DESTINATION.

MUBTASIM AHMED RAKHEEN | +8801805426126 | +8801339870480

Dhaka, Bangladesh | Email: mrakheen10@gmail.com

PROFESSIONAL EXPERIENCE

Junior Software Developer/Associate Executive

AkijBashir Group IT Department | Dhaka, Bangladesh

Mar 2026 – Present

- Assist in developing and maintaining web applications and APIs.
- Help identify bugs, improve performance, and support feature updates.
- Contribute to testing (unit, integration, UAT) and deployments.
- Maintain technical documentation and system guides.

EXTERN WEB DEVELOPER AT THE UNIVERSITY OF TEXAS AT ARLINGTON · ARLINGTON, TEXAS, UNITED STATES · AUG 2024 - JUL 2025. PART-TIME. · HYBRID

Utilized frameworks like Node.js, Django, and React JS to deliver scalable, efficient solutions. Supported the UT Arlington CSE Department in developing websites, and application architecture with a focus on Full Stack engineering. Maverick Estate Capstone Project: Implemented a secure real estate platform using NextAuth.js, JWT, Bcrypt, MongoDB, Google Maps API, Apify, and Python, featuring authentication, RESTful APIs, GIS visualizations, and automated property data ingestion

Cashier & Store Associate

Star Stop Convenience Store | Arlington, Texas, USA

Aug 2024 – Mar 2025

- Managed cash transactions and handled high customer volume efficiently.
- Assisted customers, resolved issues, and maintained service quality.
- Monitored inventory and organized store layout for better operations.
- Operated POS systems and supported daily store functions.

University Hall Resident Assistant

University Housing, The University of Texas at Arlington | Arlington, Texas, USA

Jan 2023 – Aug 2024

- Supervised residents, ensuring safety and policy compliance.
- Conducted rounds and handled incidents professionally.
- Organized events and managed Front Desk operations.
- Resolved conflicts and supported community engagement.

MUBTASIM AHMED RAKHEEN

| +8801805426126

| +8801339870480

Dhaka, Bangladesh

| Email: mrakheen10@gmail.com

CORE SKILLS

- Customer Service & Guest Relations
- Cash Handling & POS Systems
- Inventory & Operations Management
- Problem Solving & Conflict Resolution
- Process Improvement

ADDITIONAL SKILLS

- POS & Inventory Systems
 - Basic Reporting & Operations Tracking
 - Strong Communication & Teamwork
 - Adaptability in Multicultural Environment
-

TECHNOLOGY SKILLS

- **Full-Stack Engineering** (.NET, Python, JavaScript/TypeScript, Go, Rust)
 - **Frontend Development** (React, Next.js, Angular, HTML/CSS)
 - **Backend & API Development** (ASP.NET Core, Node.js, NestJS, Django, Laravel, gRPC, REST)
 - **Distributed Systems & Microservices** (DDD, CQRS, Event-Driven Architecture, Kafka, RabbitMQ)
 - **Databases & Data Engineering** (SQL Server, PostgreSQL, MongoDB, Redis, Firebase, PySpark)
 - **Prompt Engineering & Agentic Artificial Intelligence**
-

LANGUAGE PROFICIENCY

BENGALI: Native Proficiency; **ARABIC: Speaking & Writing (Intermediate Proficiency/ Currently Learning/Open to Learning More)**; ENGLISH: Professional Proficiency
